

To employers, workers representatives, social partners and authorities in the Polish transport sector.

## Welcome to a free seminar about driving cabotage and combined transport in Norway!

You are hereby invited to attend a seminar with the Norwegian Labour and Transport Inspection authorities and the social partners in the Norwegian transport sector.

- When:** November 28<sup>th</sup> at 09.00 – 15.00  
**Where:** Hotel Mercure Grand, Krucza 28, 00-522 Warszawa  
**Cost:** The seminar is free of charge, including lunch.  
**Language:** The seminar will be held in English, translated into Polish.

Please register by using this [online registration form](#) and before the 15<sup>th</sup> of November.

If you have any question, please e-mail Monica Knoff, [monica.knoff@arbiedstilsynet.no](mailto:monica.knoff@arbiedstilsynet.no).

The seminar will provide information and guidance on

- The rules that apply when driving cabotage or combined transport in Norway
- Other relevant Norwegian regulatory and respect one must be familiar with when sending employees to work in Norway / work in Norway (both chain, road and various specific national provisions including general application)
- Authority reactions if regulations are violated
- Challenges we have seen that drivers and cars have when driving in Norway
- The tripartite program for the transport sector
